HOW DO I APPLY?

Membership application is easy at WYC. Just fill out the application form with all the pertinent information. Have an existing Member sponsor your application with the endorsement of two other Members and submit your completed application along with the initiation fee to the office. If you do not have a sponsoring Member, let us know and we will help identify one for you.

During your 30-day posting period, you will be introduced to current Board Members who are often present at the Club. Your application will be posted for a period of 30 days for notification to other Members and for approval by the Board of Directors.

CAN I USE THE CLUB DURING THE THIRTY DAY POSTING PERIOD?

Yes, you have access to WYC without charging privileges during this period. Payment must be made by credit or debit card.

CAN I BRING GUESTS INTO WYC?

Absolutely! Your guests are welcome at WYC. A guest book is available in the main hallway for you to sign them in. One limitation: no guest may attend the Club more than twice within any 30-day period.

CAN MEMBERS OF MY IMMEDIATE FAMILY USE THE CLUB?

Immediate family members of Club Members, including children and grandchildren, may enjoy the Club facilities and services when accompanied by the Member. If children of a Member who are over the age of 18 would like to use the Club independently, they should become Members in the appropriate membership category based on their age.

HOW AM I ASSIGNED A WELL AT WYC?

Wells are assigned on a point basis. Members are assigned one point per year of membership, two points per year of holding a well. Further details can be found in the Yards and Docks Rules posted on the website. A new application must be submitted every year to either retain a well assignment or secure a new well. All applications and accompanying documents, such as proof of insurance, must be submitted by Dec. 30. The cost per foot is set annually.
